

TOM
Sup...let's hit it.

Tom fiddles with the snowmobile before starting it.

DAVE
Hey, you know how Blake's been all weird.

TOM
Yeah.

DAVE
It's cause his kidney.

TOM
What about it?

DAVE
It's failing. He needs a new one.

TOM
Oh, that sucks.

DAVE
My parents were just talking about it, the donor list is ridiculous I guess.

TOM
Just have a relative do it.

DAVE
No, they're looking for dead donors. You sign up for it.

TOM
Well, I don't plan on dying anytime soon.

Tom fires his snowmobile and rides off. Dave, a little off put, hesitates but then follows him.

INT. HOSPITAL ER
A chaos of bodies swirls around a lifeless body.

NURSE
We're down to 6% function.

NURSE 2
He needs a donor organ now.

NURSE
It's not going to make it in time.

DOCTOR
C'mon, were not going to loose this kid.

INT. BLAKE'S HOUSE
Blake sits at his dinner table surrounded by his Mother, Sister, and girlfriend Tammy. Blake's sister breaks the silence at the table.

SIS
How long is this list? It's been like eight months.

MOTHER
It takes a while. It doesn't happen instantly.

TAMMY
Just take one of mine. I don't care.

BLAKE
I'm not putting anyone through that, the complications from surgery...

TAMMY
So it's better to do nothing?

BLAKE
What can I do?

TAMMY
I just want you to be okay.

MOTHER
We're not ignoring it. We just have to be patient.

BLAKE
I'll be fine.

INT. HOSPITAL
Flat line noise rings through the room

NURSE
We're losing him.

NURSE
Resuscitate...

Repeated attempts to revive the patient.

In the background there are three kids still in snowsuits and holding helmets in shock. Two adults are running to the room.

EXT. FOREST
Multiple snow mobiles race through series of trees. In the distance a very assuming tree stands. They seem unable to avoid it, as one hits it with a huge crash.

INT. HOSPITAL
The Doctors and nurses over the patient give one last effort to revive the patient, but with no success.

DOCTOR
Time of death, 7:30 pm.

The parents of Tom come rushing through the door.

T. MOTHER
My baby!

Nurse 2
Ma'am you can't be in her.

Several restrain the parents who are in hysterics.

T. FATHER
That is our son.

T. MOTHER
What happened?

DOCTOR
I'm sorry. There's nothing more we can do.
